

can't stop missing you
Jez devastating organ bit My riff then me E, A, B Chris solo to verse

I shed a tear as you were leaving

I know I'm not supposed to cry
Don't keep my feelings so well hidden
I'm not your ordinary guy but I'm an ordinary guy
ch

And I can't stop missing you, I can't stop missing you
no matter how hard I try, I can't tell a lie
cos I can't stop missing you, can't stop missing you

Chris solo over intro to verse

You packed your bags as I was watching
You didn't take that much at all
But what you left me with, what you left me with was nothing
Now the writings on the wall, the writings on the wall
ch

Instrumental verse and chorus Jez solo No intro to verse

Wish that someone could have told me
That you could make me feel this way
I thought in time, thought in time I would forget you
I think about you each and every single day,
each and every single way

ch and no no no no nos

Instrumental chorus Andy solo

*Close my eyes and I can see you face
there's a hole in my heart that I can't replace x 4

Close my eyes and I can see you face
there's a hole in my heart that I can't replace x 3
