This is Crazy

I say that it's black and you tell me it's white

This is Crazy

I just want some peace and I don't want to fight
ch.

You call me weak when I try to be strong
I pour my heart out and you tell me it's wrong

This is Crazy

We run round in circles it's never all right

This is Crazy

We shout in the daytime and make up at night
ch.

Call me weak when I try to be strong
I pour my heart out and you tell me it's wrong

I tell the truth 'cos I just can't lie
I always want you by my side
